### Year 5 RAF project

Earlier this term, RAF Odiham and Robert Mays Science Department, set the year 5 children a challenge to design and build a prototype model of a 'vehicle' which could hold water and be dropped safely from a Chinook. This week, the two winning year 5 teams travelled to RAF Odiham to present to the RAF panel along with another school from the area.

We are so proud to announce that Team W.H.A.T from 5LO returned with a trophy for 'Best Scientific Understanding'. They confidently demonstrated and explained how their knowledge of forces affected their design and modification choices.

Well done to team Beakis from 5KB who joined them and delivered a fantastic presentation as well.

We are so proud of both teams. You were excellent ambassadors for the school.

## **HSCA Father's Day Sale – 14<sup>th</sup> and 16<sup>th</sup> June**

The HSCA are really excited to be back in school next week for the 2022 Father's Day sale!

This event is an in school only event. The HSCA team will set up a little Father's Day shop, with a range of stock for the children to purchase during the first break. We have purchased 900+ gifts with approx. 20 different lines for the children to choose from, we try to split the selection of items between the infant and junior schools, to hopefully reduce the risk of duplications. Each item is bagged & labelled ready for the children to take home, hide(!) and gift on Father's Day.

Each bag costs just £2 and children can purchase as many as they wish, the items are suitable for dads, step-dads, grandpa, grandad, uncles, even big brother. Simply send your child to school with £2 for each gift they wish to purchase, and we will do the rest.

Many thanks

The HSCA Events Team

## **Sports day – Wednesday 22<sup>nd</sup> June**

The weather is looking good for Sports day on Wednesday, fingers crossed it stays dry. The children will be competing in their Houses, so siblings will be in the same group. Sporting activities will start at 9:15am with the cup presentation at approximately 12pm. There will be a community picnic for parents and children to enjoy together on the school field between 12:15pm and 13:00pm when the children return to their classes for the afternoon registration.

Year 5 will still be going swimming in the afternoon, they will be leaving school at 12:45pm.

## **Dinner Account Balance**

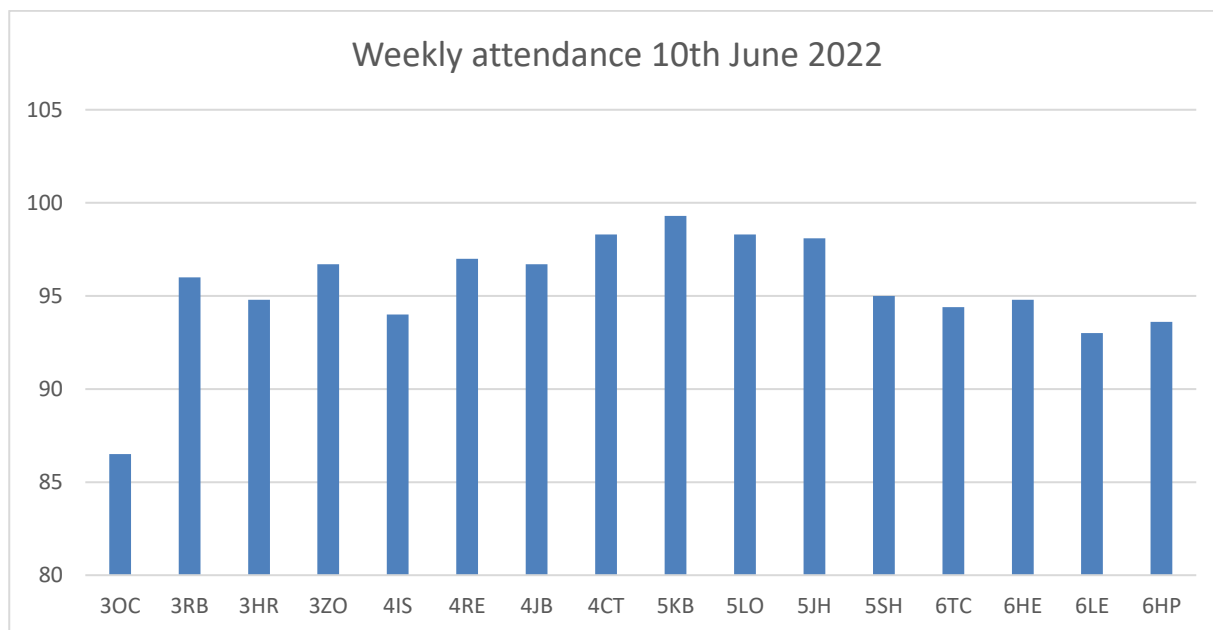

Please remember that the school does not offer a credit facility for school meals and we expect meals to be paid for in advance and before your child orders a meal each morning. In your Scopay account, you can set up an alert notification which you receive when the balance drops below a configured amount of your preference. If you would like to access the Scopay account online, please contact the school office for your link code.

## **Learning Support Assistant vacancy**

We have a vacancy for a Learning Support Assistant, find out more and download an application form via our advert [on the Hampshire Education Jobs website](#), where you will also find details of how to apply.

### **HOOK COMMUNITY CENTRE – CHILDREN'S YOGA CLUB**

**Starts Wednesday 7<sup>th</sup> June – 12<sup>th</sup> July 4-5pm \*\*Open to Ages 5-10/11 years\*\***

- Fun A-Z yoga poses, breathing, mindful games/colouring in a slow paced, non-competitive class to nurture every child's superpowers by using 7 rainbow bears.
- Help calm those busy minds, feel more confident, improve focus, be more relaxed after school.
- A place for every child to move muscles, change a feeling and find creative ways to pause and breathe.
- Enhance physical strength, co-ordination, and flexibility
- Compliment other activities/sports and clubs.
- All classes taught by Jackie who is an experienced and trained yoga teacher specializing in children's yoga helping guide each child on their own yoga journey. They learn all about F.L.Y (first love yourself) and know whatever their goals are in life they can be achieved if they truly believe in themselves.

Maybe your child gets shy/anxious or worried about joining new clubs? How about a Club with a difference where they can go at their own pace and is non-competitive?

**YES – Hook Yoga Club is fantastic fun for ages 5-10/11 years** as they stretch, move, and twist their bodies together. It helps calm those busy minds, boost confidence, and improves focus – AMAZING!

**WOW not sure? Why not contact me to arrange a half price taster class!**
