Year 3 Visit to Hook

This week Year 3 have thoroughly enjoyed their first outing at Hook Junior School to their local area of Hook. They began their trip by conducting a traffic survey along London Road counting all the vehicles, which passed by for a duration of 10 minutes. They then continued down London Road looking at the types and styles of buildings from residential to commercial to terrace to detached houses in addition to visiting the local church. Each child then completed an environmental quality survey of the centre of Hook and will analyse their data during their follow up geography lessons. On the way home, the children visited Wellworth Park to discuss the importance of green space in the local area. The children were exceptional role models for the school and loved their outdoor learning experience.

Harvest Food Bank Donations

A Harvest message from our local food banks. We are not collecting in school this year, however we know that the local food bank will be particularly grateful for your support. If you are able to make a donation of any items listed below, please deliver to the Life Church (Life Church Centre

Elms Road, Hook, RG27 9DX). You can [read more about the work of the Foodbank on their website](#).

Dear School supporters,

Thank you very much for your donations, generosity in the past. At this Harvest Time, our clients are also suffering the cost-of-living crisis. We are providing emergency food to many families in the Hart area.

- Tinned Fruit
- Tinned Soup

- Tinned Potatoes
- Tinned Pulses
- Tea Bags
- Coffee
- Long Life Juice
- Cooking Sauces
- Rice

We are very grateful for your support.

The Lily Foundation

Hannah and Lucy's recent teddy tombola and book-sale raised over £200 for the Lily Foundation. This is a brilliant achievement, well done girls, and thank you to all the families for supporting their event.

The Fire Show – 5th November 2022

The Hook Schools Community Association is back with our first public event of the school year and it's our biggest– the Hook Fireworks 2022!

* Saturday 5th November 2022 *

* Gates open 5pm *

* Hook Junior field *

Come for a fantastic family night out, with hot food, fairground rides, inflatable fun, sweet treats, bar (including our own delicious home-made mulled wine), live music and of course a spectacular Fireworks display!

To improve the flow of people into the event this year, we will be opening up a third entry gate via Mitchell's field (the small gate that leads directly on to the Junior School playground). We have also had a shuffle of the site to squeeze in additional food units and some additional toilet facilities as well. Best of all, ticket prices are frozen at 2021's prices!

Tickets can be purchased [here](#) and are priced as follows:

- Adult (Over 16) - £8

- Child (16 and Under) - £5.50
- Family (2 Adult, 2 Child) - £24 (Limited number available)
- Babies / Toddlers / Pre-Schoolers - £ FREE but still require a 'free' ticket

Advance prices are only available online, any on-the-night tickets (if available) will be charged at a higher price. We sold out well ahead of the event last year and some people were left disappointed that they had left it late to buy tickets, so please buy early to avoid missing out!

Finally... an event of this size needs a group of about 100 volunteers to make it both safe and successful - without our volunteers the event simply wouldn't be able to go ahead. If you are able to volunteer for any of the roles we have available on the night, please sign up - there are roles which still allow you to watch the fireworks with friends and family so that you don't miss out! On the night volunteers will receive a free drink and have their individual ticket price refunded. Signing up is simple and can be done as part of the check out process on our ticket website. Or if you'd like to talk any of the roles through before signing up, simply get in touch at contactus@hs-ca.org.uk.

Please ensure you read your order confirmation carefully as it contains lots of useful information and watch our Facebook page for regular updates.

Many thanks

The HSCA Events Team
