Harvest Festival Foodbank Collection

Year 5 would like to say a huge thank you for your donations towards Basingstoke Foodbank during our week of Harvest celebrations. The school were astounded by the school community's generosity and filled two cars with essential foods which will create emergency boxes. Your donations will assist many families in the local area in a time of crisis, especially as the festive period approaches. Hook Junior School are incredibly lucky to have such supportive parents towards a good cause and once again, thank you.

Dinner Money Alterations

Please be aware that an error occurred on our dinner money system, resulting in some children being charged a non-standard amount for jacket potatoes in the first 3 days of term. This has now been rectified and we apologise for any inconvenience caused.

Head Lice

Please be aware that cases of head lice have been reported within the school. Please check your child and treat accordingly.

Winter Clothing

We wish to remind parents that children should be wearing jumpers to school and as the weather begins to get colder, they must bring appropriate outdoor wear for playtime and lunchtime. All jumpers and coats **must** be clearly labelled with your child's name and class.

Text Messages

Our text messages have not been reaching some parents due to a technical issue. If you have signed up to receive our messages and have not been, please contact the school office. We apologise for any inconvenience caused.

E-Safety Message from the National Online Safety Team

As part of our #WakeUpWednesday campaign, we have created a free updated TikTok (formerly Musical.ly) guide for parents & carers.

TikTok is a global video community where users create, share and discover 'funny and memorable moments' via short video clips – typically about 15 seconds long. Currently one of the world's most popular apps, TikTok was formerly known as Musical.ly, before it was rebranded by the Chinese company that acquired it in November 2017. This free guide for parents & carers covers what they need to know about the platform to help safeguard their children from potential online risks including; dangerous trends & challenges, oversharing, online payments, inappropriate content and more.

Please help us spread the message by retweeting our TikTok (formerly Musical.ly) guide for parents & carers here:
