

# HOOK JUNIOR SCHOOL

8<sup>th</sup> October 2018

## Year 3 'World Music Workshop'

Dear Parents and Carers,

As part of our Autumn term topic 'The World on our Shoulders' Year 3 are learning about rainforests, including the lives and culture of those who live in these extreme environments. Linked to this, we are exploring the music that comes from places like Brazil, such as Samba. We have an exciting opportunity to take part in a World Music workshop again this year which will give the children the experience of handling a variety of instruments from Brazil and an introduction on how to play them.

This workshop will take place on Friday 2<sup>nd</sup> November 2018 where Jim Bernadin, a specialist in teaching music from different cultures, will take each class through a hands-on session in order to fully immerse them in the sounds of the rainforest.

The cost of this workshop will be a £3.60 voluntary contribution per child which can be paid to the school office by cash or online through the Tucasi online portal. Access the Tucasi portal via the Parents page of the school website. The cost we are charging covers the fees to pay for the facilitator and the hire of the instruments that will be used during the session.

If you have anything you wish to discuss, we are only too happy to speak with you.
