Clubs Resume from Monday 14 January

Daytime and after-school clubs facilitated by Hook Junior School resume from Monday 14 January.

If your child is a member of a club not facilitated by us, please contact them directly for booking and timetabling information. You can find contact information at the foot of the Clubs page in the Parents section of the school website.

Online Payments

We are advised by Tucasi, providers of our online payment service for dinners and school activities that following recent changes to the payment process, some cards may be declined when you attempt to make a payment. This is not indicative of a card being faulty or cancelled but is the result of a change in security requirements for processing transactions. Unfortunately at this time we can only recommend that you try making the payment again using the same card, or use an alternative card. If this still fails, please send cash or cheque to the school office.

If you have not yet registered for online payments, please request a registration letter from

The School Council Book Swap

Located in the old reception area at the end of the library, the Book Swap area has been set up so that children can bring in a book they own from home, but do not need any more, and swap it for another book.

The area is open to any pupil - and there is no charge. The initial set of books have been provided by community donations and if you are having a post Christmas clear out and would like to donate any books suitable for Junior age children, please pass these to a class teacher who will deliver them to the School Council.

Food Safety for those with Allergies

In order to ensure the wellbeing of children with allergies, we ask that morning snacks and lunch boxes do not contain nuts.
