

## Newsletter for Parents

29th May 2020

### Phase 1 Reopening

***A reminder that on Monday 1 June, school will be closed to all pupils including children of keyworkers and vulnerable children.***

***On Tuesday 2 June, school will be open for pupils of keyworkers and vulnerable children only.***

If you have requested a place for your child to attend from Tuesday 2 June, you will today receive an email advising you of the class allocation and teacher.

Parents of children in year 6 who will be attending as part of our Phase 2 reopening on 15 June will be advised of their class allocation and teacher in due course.

SeeSaw learning will resume for home learning next week and this content will also be delivered in class.

Our focus in the first week will be on PSHE activities and reflections of lockdown. This is in response to an extraordinary period of national change and as we move out of lockdown will help children in dealing with resulting social and emotional needs and re-establish their relationships with school staff and their peers.

### YouTube video from Children

We would like to express our gratitude to everyone who contributed to the wonderful video from all children of Hook Junior School. We have shared this with all our staff who greatly enjoyed watching it. Thank you.

### Council leaders thank Hampshire's pupils and students

Hampshire County Council's Leader (Councillor Keith Mans) and Executive Member for Education and Skills (Councillor Roz Chadd) have been very keen to thank all of Hampshire's pupils and students for the part they have played in helping to prevent the spread of Coronavirus. [They have made a short film](#) (under two minutes in length) in which they, personally, express their thanks.

### Additional Resources for Parents on the Letters Page

We have published several additional documents on the letters page this week:

- Hampshire Outdoors newsletter
- Concerned for a Child – Supporting Children during Lockdown
- Support for Parents – Supporting Children during Lockdown
- Your Person Flyer – Supporting Children during Lockdown
