

Amazing Books to Read this Spring

The Dragon in the Library by Louie Stowell

Kit can't stand reading. She'd much rather be outside getting muddy than stuck inside with a book (she could always take a book outside!).

It was the start of the summer holidays and Kit and her friends were arguing about what to do that day, so when they suggest they all go to the library Kit wasn't pleased.

But when Kit meets the 'Head Librarian' little does she know that there is more to books than meets the eye and so starts the adventure ...

Frostheart: Escape from Aurora by Jamie Littler

Available from the school library and Wheelers e-Platform

Ash is searching for his long lost parents, he's hoping that he will find them in the stronghold of Aurora where his only clues have lead him.

But when Ash reveals his hidden powers of Song Weaving the crew and Ash are in immediate danger and they are forced make a break for freedom.

Where will Ash and the crew of the Frostheart end up?

The Night Bus Hero by Onjali Q Rauf **Year 6 Read**

Hector has been getting into trouble for as long as he could remember, it's a fact that no one pronounces his name normally anymore, he normally gets called HECTOOOORRRR or YOUNG MAN.

Hector is known as the school trouble maker, nothing is too much trouble for him to do, then Hector goes too far and everyone just thinks he's just a bully.

But when Hector witness' a crime and tries to tell the truth no one believes him. It's up to him to make a change.

Sky Pirates by Alex English

Available from the school library and Wheelers e-Platform

Echo Quickthorn is an orphan, trapped behind the castle walls in the Kingdom of Lockfort. Everyone tells her nothing exists beyond the castle walls, but Echo dreams of adventure and escaping from the castle.

When a real life explorer crashes his airship, right outside of her bedroom window, Echo knows this is the perfect opportunity for escape.

What's that in Dog Years? By Ben Davis **Year 6 Read**

Gizmo has been George's best friend forever, they do everything together. But when George is told Gizmo is getting frailer and that he won't be around forever, George decides to make sure Gizmo has the best time ever.

So George makes up a 'bucket list' for Gizmo, after all Nan has one so why can't Gizmo?

Join George and Gizmo on an amazing adventure, one that involves friends, families and laughter.

Starfell: Willow Moss and the Forgotten Tale by Dominique Valente

Available from the school library and Wheelers e-Platform

Willow Moss is a young witch still learning her skills, her power is to be able to find lost things, which is helpful most of the time.

But when her magic starts misbehaving it creates havoc. What is causing her magic to go wrong?

When Willow discovers one of her friends has disappeared she must try and regain control of her magic to help her find him. Can Willow save him? Or will the dark forces against her win?

The Haunting of Aveline Jones by Phil Hickeys Suitable for Year 6

Aveline loves spooky ghost books to read, so when she is sent to stay at an Aunts house she discovers a second hand book shop full of unusual books.

There she finds a creepy book with spine-tingling stories, but even more curious is that it belonged to a girl called Primrose Penberthy, a girl who vanished mysteriously and has never been seen since.

Attracted to the story of Primrose, Aveline decides to investigate further, but now something is stirring...

The Graveyard Riddle by Lisa Thompson Suitable for Year 6

Melody Bird likes taking her dog Frankie for a walk but when she finds a boy called Hal living in a rundown house in a graveyard, her life is going to get interesting.

Hal is an undercover spy, keeping a look out on a gang of jewel thieves, but can such a young boy really be an undercover spy?

Melody is determined to help Hal catch the thieves by decoding the strange riddles found in the graveyard. But her friend Matthew and Jake aren't so sure about Hal. What is the real mystery to be solved?

The Soup Movement by Ben Davis Suitable for Year 6

When Rio, Jordan's friend told him about mitzvahs he didn't believe it would change his life.

Jordan has a huge secret that he won't share with anyone and definitely not the cool kids that have invited him to go to the chippy at lunch time.

When the cool kids torment a homeless man in the local park, little did Jordan realise that giving him a flask of soup would bring about huge changes. One small act of kindness leads to new friendships a movement of good deeds across a local community.

Brilliant set of four official Minecraft books, giving details of how to Explore, Farm, The Nether and the End and Enchantments & Potions.

Children will love the tips and secrets of Minecraft, so get building and exploring...

If you enjoy having a go at inventing and building then have a look at Inventor Lab.

Full of clear step by step guides you could have a go at making things like a motor, a door alarm, a pipe stereo.

Have a look see what you could invent.

Have you ever wondered how a glow stick works? What is inside your PS4? Would you like to stay in an ice hotel?

A fascinating read full of how things work, so if you're curious and want to find out, have a look at How Super Cool Tech Works.
