

HOOK JUNIOR SCHOOL

Weekly Newsletter

Friday 23rd April 2021

After School Clubs

A limited number of before and after school clubs have resumed this week for children to join. Details of all clubs currently being offered are available [via the Clubs page on the school website](#). All clubs currently running are facilitated by third parties and you must contact the facilitator directly to enquire or book a place.

Hockey club after school on Wednesday has been particularly popular and Mr Harder will be running an additional session from Monday 26 April. If your child is interested in joining, please see the flyer at the end of this document.

Year 5 Water Bottle Appeal

Year 5 started the RAF STEM Project on their return this week and a very excited about getting involved in the competition this year! To build their vessel, the pupils need empty 500ml plastic water bottles. Year 5 would appreciate if you could donate any empty plastic water bottles to school. The pupils need the empty bottles from Monday 26th April so please send your child directly to class with any bottles they are able to donate. Thank you in advance for your support in our project!

Year 3 Stone Age Leaflets

The Novium Museum
15 Apr · 🌐

A huge thank you to year 3 pupils from [Hook Junior School](#) who have sent us some brilliant leaflets about the Stone Age which they produced in class. We were delighted to receive them and can see how hard they worked. Thank you for sharing them with us!

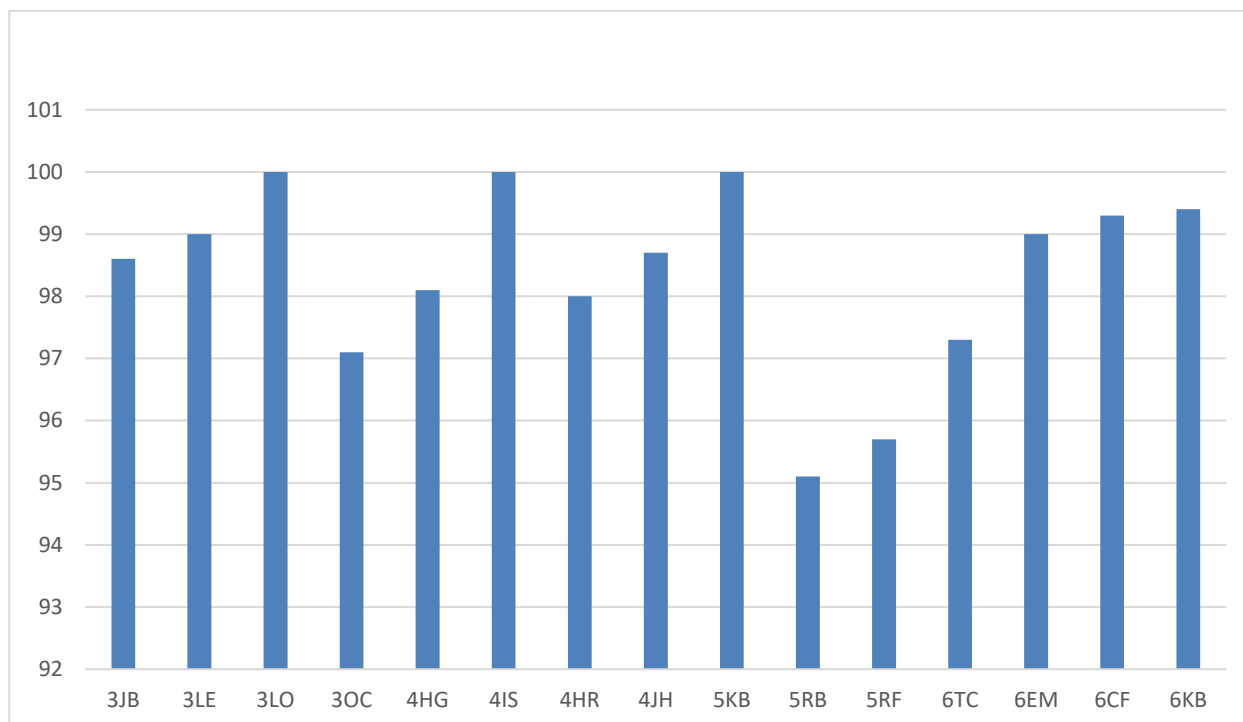

Before Easter year 3 designed and created fantastic leaflets all about the Stone Age, after receiving a very exciting letter from a museum asking for their help. The year 3 team sent off the letters to the museum just before Easter and have received a fantastic response. The museum was very impressed, commenting on the hard work and effort that had gone into each leaflet and wanted to commend the high quality of information produced. As such, they have posted on their Facebook page with some fab examples of the leaflets!

It was lovely to see many of the children inspired by our topic of the Stone Age, with some of them even venturing to Stone Henge in their half term break! Great work year 3!

Attendance This Week

Every day counts... Your child's attendance matters!

Whole school attendance 98%. Well done Class 3LO & 4IS & 5KB – 100% attendance.

Stars of the Week

Year 3: William P, Evie B, Joshua W & Dylan M
