Hampshire Information Book Award 2022

This year the Year 4 children are taking part in the Hampshire Information Book Award, where they get to read and analyse shortlisted books chosen by The School Library Service.

The books were launched in a special assembly for the children on Wednesday where they got to see the books for the first time.

The aims of the award are to develop pupils' critical abilities of non-chronological texts using their discussion skills, whilst also helping them to develop the ability to evaluate information sources. It's a wonderful opportunity to watch the children grow in confidence using information texts and celebrate the value of information books in an electronic age.

Young Writers Competition

Thank you to all those children who entered the Young Writers Competition before Christmas.

All entries were read by the editor and we have now received confirmation that a number of them are to be published in an anthology. Those children whose work was selected will receive a certificate next week and will be bringing a letter home. This letter will need to be signed by parents/carers and sent in the post to show that permission is given for their child's writing to be published. This is a great achievement for all the children involved and we look forward to receiving our copy of the anthology for our school library when it is published.
