

HOOK JUNIOR SCHOOL

13th November 2017

Dear Parents and Carers,

Year 3 Learning Event – Friday 24th November 2017

Each term, we invite you to come in to your child's class and take part in a learning activity.

This term, we would like to invite you to join your child for a session linked to the Art curriculum. In Art we learn about different art and artists from around the world, as well as developing key skills in creating our own art work.

For our learning this half term, we will be examining traditional Indian tribal art known as Warli while developing our print making skills.

To help us with this project, polystyrene circles from pizza boxes (or similar) are very welcome!

You may wish to bring an apron or old shirt to cover your own clothing; children will have one provided by the school. No other preparation is required.

Please let us know if you are able to attend **one** of the two sessions available for your class so we can plan for the number of people required.

Thank you for your ongoing support,
