**Sports Relief Mile - Tuesday 20<sup>th</sup> March**

Dear Parents and Carers,

To help raise money for charity, Hook Junior School are once again going to be taking part in the 'Sports Relief Mile'. Sport Relief is a charity event from Comic Relief, which *"brings together the worlds of sport and entertainment to raise money to help vulnerable people in both the UK and the world's poorest countries."*

Our event will take place on Tuesday 20<sup>th</sup> March, during the afternoon, where the children will complete a run or walk of a mile-long course around the school grounds. This event is an exciting enhancement of the PE/Sport curriculum and links with both our school values and the Olympic values of courage and determination – the lasting legacy of the 2012 Olympic Games in London. Not only this, but the event will also promote the children's social learning within a supportive environment.

In order for the children to take part, please make sure your child has their full outdoor P.E kit in school on this day, including trainers and a jumper, and a water bottle. We also ask that the children bring in a donation of £1 or more to go towards the charity.

We have always supported Sports Relief and the children have always enjoyed participating as well, encouraging each other along the course, reflecting the importance of a health and fitness mindset and raising money for this important charity. We hope that this year will be equally as successful.

If you have any further questions, please contact the school office.

Yours sincerely,

*S.French*
